JERARD PHILLIP PEREZ PAGALILAUAN

Web Developer

jerardpagalilauan@gmail.com | (+63) 966 367 2973 | **https://www.jerardpagalilauan.com**

A highly innovative and motivated graduate of Bachelor of Science in Information Technology from the University of Saint Louis. A graduate recognized with Academic Distinction. A young professional with rich experience in working with clients and collaborators in developing web and desktop systems. Currently seeking to join the IT industry as a web developer to improve his skills, learn new technologies, and become a productive member of a company.

Work Experience

Web Developer & Designer Intern: **ScaleUp Solutions Inc.**   **January 2024 – April 2024**

- Collaborated with designers and project leaders to deliver high-quality, user-friendly **ASP.NET websites** on time and met the client's needs.
- Contributed to the company website redesign, focused on improving the layout and navigation, significantly enhancing the overall user experience.
- Streamlined development with detailed client-specific prototypes made with **Figma**.

Software Developer: **Metro Tuguegarao Multi-Purpose Cooperative**   **December 2023 – August 2024**

- Co-designed and developed a task management desktop application for a client cooperative, streamlining their workflow and boosting efficiency.
- Utilized an in-house **.NET backend** framework to streamline the development process and improve code maintainability.
- Developed automated Excel and Word report generation feature using OpenXML, making data presentations and certificate generation processes much more efficient.

Education

University of Saint Louis Tuguegarao   **2020 – 2024**

Bachelor of Science in Information Technology – Graduated with **Academic Distinction**
